

# PICKERING COLLEGE NEWMARKET, ONTARIO

*Pickering College is an independent co-educational boarding (for Grades 7–12) and day school (for Grades JK–12). The school offers a variety of enriched academic, athletic and leadership programs in a caring community, preparing students not only for university, but for life. Established in 1842, PC is built on a history of more than 170 years, and is today, as it has always been, a special place where students develop the social conscience, confidence, knowledge and skills to shape the future.*

## OUR MISSION

*To be a leader in education, inspiring individuals to become enlightened citizens who meet high standards for lifelong growth and learning. Our students exemplify Quaker values, gaining the vision, courage and skills to make their community greater, better and more beautiful than they discovered it.*

## OUR VISION

*To be a school that develops citizens who become ethical, compassionate, values-based decision makers, determined to make the world a better place, understanding their responsibility to serve society and knowing the future is theirs to create.*

## CAMPUS

- Beautiful private and secure 42-acre property
- Rogers House, built in 1909, is our main building which houses the Meeting Room, classrooms, dining hall, library, book store, clothing store, student lounge with fireplace and our administrative offices
- 24-hour supervised residential living: Firth House (girls) and New House (boys)
- Health Centre
- Indoor athletic facility
- Indoor ice arena (open November – March)
- Outdoor ¼ mile track

- Three large grassy sports fields
- Close to indoor swimming pool, tennis courts, ski hills, horse and mountain bike trails

## ACADEMICS / CURRICULUM

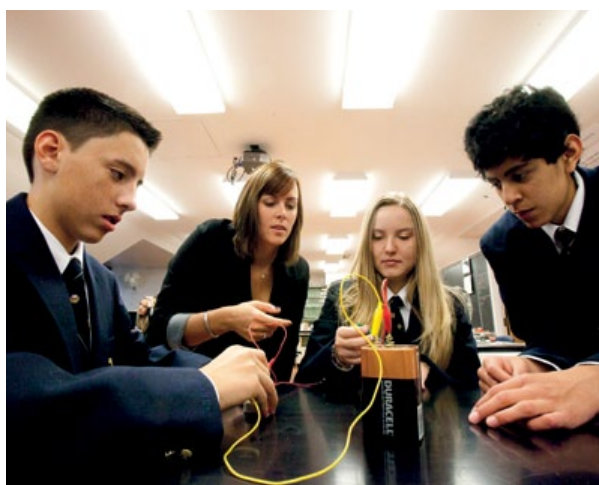

Pickering College operates on a traditional (non-semestered) school year from to June each year and offers Ontario Ministry of Education curriculum – students graduate with an Ontario Secondary School Diploma. Program highlights include our Leadership, Communications Technology and Music programs. All students in Senior School use the school-required laptop program.

## SUPPORTIVE AND CARING ENVIRONMENT:

With small classes, PC students benefit from personalized support and attention from their teachers, advisors and other staff at the school. Advisors and teachers maintain regular contact with parents through our online community, regular reports and personal meetings.

## ACCREDITATION

Ontario Ministry of Education, Canadian Educational Standards Institute (CESI), Canadian Association of Independent Schools (CAIS)
